Community & Safety

Principles & Policies

We're creating a space where everyone can explore their desires safely. So let's start by sharing our house rules.

COMMUNITY & SAFETY PRINCIPLES

1. Meet everyone with openness, curiosity and respect.

Feeld is a place for all people to feel safe exploring their desires. In this space, we approach each other with openness, curiosity, tolerance, and respect—regardless of differences. Feeling seen and respected is a fundamental human need. As we pursue it for ourselves, we extend the same grace to others.

2. Remember, active consent means an unambiguous ‘yes’—and is non-negotiable.

Both online and offline, active consent is a cornerstone of Feeld. Consent is an unambiguous “yes”: freely given, without coercion, without manipulation, not in a state of incapacitation. It is a “yes,” made intentionally, by a person who is informed about what will and will not happen in an exchange. It’s a “yes” that can be retracted at any time.

3. Protect your privacy by choosing how, when and with whom you share yourself.

Revealing ourselves to others is deeply personal. Sometimes we feel comfortable sharing, and sometimes we don’t. On Feeld, each of us gets to decide how, when, and with whom we share ourselves through features like “Hide Me on Feeld” and “Incognito”. Privacy doesn’t contradict authenticity. It lives alongside it and enables it as we pursue honest, meaningful connections.

4. Be authentic by showing up as who you are and staying clear about what you’re seeking.

We are who we say we are. Fake Member profiles, catfishing, impersonations, or other intentional misrepresentations of identity are not allowed. We’re real people bringing as much of ourselves as we wish to each interaction. Doing so allows us to form more meaningful connections—not only with others, but with ourselves.

5. Report harm, abuse or disrespect if you’re feeling unsafe.

If someone makes you feel unsafe on Feeld, we want to know and take appropriate action. Please report any harassment, abuse, threats, discriminatory behavior, or misconduct that you witness or experience. To protect your identity, your report will remain anonymous. We will either warn or remove people who violate our community guidelines. Your reports are an essential part of creating a safer community together.

COMMUNITY & SAFETY POLICIES

This is a breakdown of our policies.

Personal information

Gathering information

We do not allow anyone to gather the data of our community for reasons beyond forming meaningful connections.

Sharing information

We strongly advise our community to use caution when sharing their personal information (phone numbers, social media handles, etc.), their photos, and intimate video calling with other people. Staying safer means building trust with another before sharing details.

Solicitation

Sexual solicitation

While everyone is welcome to use Feeld in a personal capacity, we cannot allow erotic and sexual solicitation on Feeld.

Financial domination (FinDom)

While we recognize the expression of this kink, we cannot provide space for financial domination on Feeld. FinDom is an activity in which a submissive is required to give gifts or money to a dominant.

Selling goods and services (including events)

We do not allow people to sell goods or services, including advertising events with tickets, on Feeld.

Catfishing and Fake Images

We don't allow Members to use other peoples' photos without their consent, as this is inauthentic and sets the stage for misrepresentation within the community. This includes, but is not limited to, the use of internet images and images of public figures.

Identity Theft and Compromised Accounts

We do not allow identity theft, or the impersonation of private or public individuals on Feeld. Feeld is a community of real people, here to explore their authentic selves.

COMMUNITY & SAFETY POLICIES

This is a breakdown of our policies.

Harassment and Hate Speech

We do not accept harassment and hostile speech that creates an unsafe space for the Feeld community or our staff. This includes messages that make people feel unsafe—including bullying, non-consensual images or messages, hate speech, or behaviors not in keeping with our community guidelines, such as malicious reporting.

Sextortion

We have a zero-tolerance policy for sextortion, which we define as any request for financial compensation in exchange for not releasing intimate or sensitive images or videos.

NCII, Revenge Porn, or Blackmail

We have a zero-tolerance policy for the collection, recording, or dissemination of non-consensual intimate imagery (NCII), also known as revenge porn, which is any non-consensual gathering or sharing of intimate or locally sensitive imagery.

Prohibited Images and Content

We have a zero-tolerance policy for the collection, recording, or dissemination of non-consensual intimate imagery (NCII), also known as revenge porn, which is any non-consensual gathering or sharing of intimate or locally sensitive imagery.

Nudity

Due to our partner regulations, we cannot allow close ups of genitalia or bulges, buttocks in which they are the focus of the image, and female-presenting breasts with nipples exposed. Feeld profiles with any of the above will be asked to change or remove these images.

Restricted goods

Due to our partner regulations, and legal or regulatory considerations, we cannot allow photos of restricted goods—such as illegal drugs or gun-related accessories—to remain on Feeld.

COMMUNITY & SAFETY POLICIES

This is a breakdown of our policies.

Minors

We prohibit any images of children under the age of 18 on Feeld, even if they are in the background. This is because we are an adults-only dating app. We may remove or request the removal of any content on Feeld profiles containing images of children.

AI Generated Images

Malicious use of AI generated images is prohibited on our platform.

Illegal Content

We further prohibit imagery or content relating to illegal content, including but not limited to:

- Terrorism
- Child Sexual Exploitation and Abuse (CSEA)
- Child Sexual Abuse Materials (CSAM)
- Controlling or coercive behaviour
- Intimate image abuse
- Adult sexual exploitation
- Human trafficking

Physical and Sexual Abuse

We have a zero-tolerance policy regarding physical and sexual abuse. When such abuse is reported, incited, or verbally threatened, the person responsible will be removed from our platform.

Sexual Health and Safety

Exploring connection and intimacy should feel exciting, respectful, and safe. That's why we encourage everyone on Feeld to have open, honest conversations about sexual health, boundaries, and consent—before anything physical happens. Talk about things like STI testing, the protection you use or prefer, and any agreements with other partners.

There's no single way to practice safer sex—what matters most is that it's informed, consensual, and works for everyone involved. Regular testing, mutual respect, and ongoing communication are part of caring for yourself and your partners.

Consent should always be clear and enthusiastic and can be changed at any time. And if something doesn't feel right, it's okay to pause or walk away. You never need to explain prioritizing your comfort and safety.

COMMUNITY & SAFETY POLICIES

This is a breakdown of our policies.

Self-harm and Suicidal Ideation

We may remove content that depicts self-harm or refers to suicidal thoughts. This is to help keep Feeld a safer space for everyone.

If you're struggling, or you're worried about someone else, please contact local emergency services if it's safe to do so. You can also reach out to a mental health support organization that offers help with self-harm or emotional distress.

CSAM

We have a zero-tolerance policy for any child sexual abuse materials (CSAM), which includes any pornographic or sexually suggestive photos of persons under the age of 18. If found, these cases may be escalated to law enforcement in appropriate jurisdictions.

Bestiality and Animal Abuse

We prohibit any images, activity, or content depicting or encouraging bestiality or any other forms of animal abuse.

Under-18

Feeld is a strictly adults-only dating app (18+). We do not allow any underage people to be present on Feeld. Profiles will be reviewed, and if underage, they will be removed.

Crime and Other Illegal Content

We prohibit any and all activity or content relating to the solicitation, facilitation, or perpetration of any kind of criminal or illegal activity on Feeld. This includes robbery, stalking, extortion, child sexual exploitation and abuse, and/or any other crimes or illegal activities not listed here. We endeavor to assist law enforcement where possible to effectively protect our community in every global region where our app is supported.

Fraud

Fraud is any strategy that attempts to dishonestly and intentionally extract money or information from people on Feeld. Acts of deception or misrepresentation are not tolerated within the Feeld community.
